

ETTC Code of Conduct

All athletic and social interaction at the Eugene Table Tennis Club will be governed by the following code of conduct.

Members should act at all times in a sportmanlike manner and behave respectfully towards each other. Physical, verbal or online abuse or harassment will not be tolerated. Should any member engage in such activities they may have their membership immediately suspended at the discretion of the club president. At which point they will not be permitted on club premises. The suspended member may subsequently request reinstatement by providing a written deposition to the club board. Should such a deposition be received the club board will meet within 45 days to discuss and vote on a course of action. A unanimous vote of the board will be required to determine this course of action. Should the board determine that the member is not to be reinstated then they will forfeit the remainder of any applicable dues paid.
